- Unpacked for Educators

Our team at The Davis Academy is grateful for the network that Prizmah offers with experts and peer schools across the country. Each of us benefits from the various resources, conferences, and opportunities to connect with colleagues in different ways through the Prizmah community as avenues for support and professional growth. This year in particular the Engage Program, offered in partnership with PJ Library, brought us great opportunities for expanded learning and networking within a cohort of like schools.

—AMY SHAFRON

Head of School, The Davis Academy

Atlanta-Area School Services

- Communal Affordability Data and Other Analysis
- Community Affordability Cohort Program and Coaching
- Crisis Intervention and Support
- Governance and Board: Leadership Development Training
