We were incredibly excited and honored to have the Prizmah conference in Denver this year. Many of our leadership team members and executive committee members attended the conference and the impact was quite significant. It was truly a unique and powerful experience to have the opportunity to learn from so many leaders in the field of Jewish education.

## Colorado Educator Day

Prizmah continues to be grateful to the Denver community for hosting the 2023 Prizmah Conference and opening their community to 1,100+ educators and lay leaders.

**More than 75 educators joined Colorado Educator Day,** a special day of training designed just for the community, including programming with expert facilitators for professional growth, connection, and practical takeaways from sessions such as “Being my Best Self in Difficult Moments” and “Storytelling and Empathy Building: Strategies for teaching in your classroom tomorrow.”

*With special thanks to JEWISHcolorado and Rose Community Foundation.*
