Being a part of Prizmah has been incredibly impactful for me and several members of my administrative team. Three of us are alumni of the YOU Lead program. Additionally, many of us participate in weekly meet-ups and also frequently solicit advice on various Reshet groups. Whether it is attending conferences and Head of School retreats, or Zooming with colleagues from other schools, Prizmah facilitates connection among administrators and teachers in day schools and yeshivot. Hillel Day School is most appreciative of our strong relationship with Prizmah.
